Message from the Premier of Queensland

Since 2001, the Queensland Government, through the Queensland Greats Awards, has honoured proud individuals and distinguished institutions that have shown a lifetime dedication and contribution to the development of Queensland. It gives me great pleasure to announce that the 2012 Queensland Greats Awards are now open for nomination.

Past Queensland Greats have come from a wide variety of fields and pursuits and have included outstanding individuals such as world-renowned author David Malouf AO (2003), Queensland's first female Governor, Leneen Forde AC (2007), acclaimed medical scientist Dr Robyn Rodwell (2009) and rugby league legend Wally Lewis AM (2011).

Since 2006 the Queensland Greats Awards has also recognised iconic Queensland institutions such as Mater Misericordiae Health Services (2006), The University of Queensland (2010) and the Queensland State Emergency Service (2011).

Each year during Queensland Week celebrations I delight in honouring those proud Queenslanders who have made a long term commitment to building a better Queensland with a commemorative plaque permanently displayed at Roma Street Parkland.

I encourage Queenslanders to nominate a friend, colleague, family member, community leader or institution that they believe has made a significant contribution to our state for the 2012 Queensland Greats Awards.
