Tigrinya (ትግርኛ) – Information for COVID-19 Vaccine registration
Alberta Health Services has made information available for Tigrinya speakers about COVID-19 vaccines. For more information on where to get vaccines, how they work, and where to get more information, visit the Alberta Health Services webpage at [link](https://www.health.alberta.ca/covid-19/vaccine/). A list of pharmacies that offer vaccines can also be found on the webpage.

To learn more about the COVID-19 vaccine, Alberta Health Services has created videos in Tigrinya, which can be accessed through the following links:
