OUTER BOUNDARY NOTES:
The GSMP Outer Boundary is an approximation of the marine park boundary. It is a representation of a proposed written description which will replace statutory plan MP1. It is based on exclusions currently listed in the Marine Parks (Declaration) Regulation 2006, DES' interpretation of Highest Astronomical Tide and DoR's approximation of cadastral boundaries. The GSMP Outer Boundary includes tidal areas determined as Exclusive Use under the Butchulla People Land and Sea Claim #2 Native Title Determination.
