

Champion a network  
of infrastructure

# Minor Infrastructure Program Guidelines

Program guidelines

12 January 2023

**Queensland**  
Government

## Updates to the Guidelines (as at 12 January 2023)

The following changes have been made to the guidelines since publication on 9 December 2022:

- Amended Appendix B – Eligible activities added

The Department of Tourism, Innovation and Sport (the department) will provide and pay for qualified interpreting services for customers who are hearing impaired or have difficulties communicating in English. Please [contact the department](#) if you require interpreting services.

### ACKNOWLEDGEMENT OF COUNTRY

Sport and Recreation respectfully acknowledge and recognise Aboriginal and Torres Strait Islander peoples as the Traditional Owners and Custodians of the lands, winds and waters where we live, learn and work.

We pay our respects to the Elders past, present and emerging for they hold the memories, the traditions and the cultures of Aboriginal and Torres Strait Islander people across the nation.

We will walk together with Aboriginal and Torres Strait Islander peoples, communities and organisations in our journey to enrich lives and strengthen community connection through the power of sport and recreation.

Appendix F – Average illumination levels	19

## 1. What is the Minor Infrastructure Program

*Activate! Queensland 2019 – 2029 (Activate!)* is the Queensland Government's 10-year strategy to further enrich the Queensland way of life and build on our strong community foundations to deliver better health and well-being outcomes for all Queenslanders.

Through *Activate! Queensland*, the Queensland Government is committed to supporting opportunities that encourage lifelong movement and break down the barriers that prevent Queenslanders from achieving a sufficient level of physical activity.

Accelerate 2022-2025, the second 3-year Action Plan under *Activate!* has a commitment to 'Champion an industry leading network of infrastructure across Queensland'.

The Minor Infrastructure Program (the program) provides targeted funding to eligible organisations to help the sport and active recreation industry deliver new, upgraded and end of life replacement projects and works that demonstrate alignment with the program objective.

The Minor Infrastructure Program will include three rounds as detailed below:

<b>Round 1</b>	31 January 2023
<b>Round 2</b>	January 2024
<b>Round 3</b>	January 2025

The Program guidelines provide information for Round 1 only. Details for Rounds 2 and 3 will be published in 2024 and 2025 and are subject to change.

Total funding for Round 1 of \$14.67 million (GST exclusive) is available to support projects valued up to \$1 million with a maximum grant of \$415 000 (GST exclusive) depending on the project location.

## 2. Objective

The objective of the program is to enhance community sport and active recreation participation opportunities through the provision of spaces that enable quality, accessible, inclusive, safe and more efficient activity.

This is further defined as:

- **Safe:** reduced exposure to health and safety risk
- **Quality:** meeting standard required for community level participation
- **Efficient:** more efficient use of the places and spaces (can be used by more people, cater for more activities, be used for longer hours)
- **Inclusive and accessible:** enhancing usability of places and spaces and ensuring no one is excluded from participation

Refer to [Appendix A](#) for a full list of definitions.

### 3. Important dates

Date	Activity
31 January 2023	Applications open
2 March 2023 5pm AEST	Applications close
May 2023	Successful project/applicants announced
June 2023	Project can commence *
December 2024	Project completed
28 February 2025	Project acquitted and reports submitted

\* Approved projects cannot commence until a legal agreement has been entered into with the department.

### 4. Funding available

Funding available ranges between a minimum of \$50 000 (GST exclusive) and up to a maximum of \$415 000 (GST exclusive) dependent on the project location. Projects must be completed over an 18-month construction period. Projects must not exceed an estimated total project cost of \$1 million (GST exclusive).

Funding contributions towards a project are dependent on the total eligible project costs for the project. Applicants are required to provide a financial co-contribution to the project, excluding projects that are located in Discrete Communities (including the Torres Strait).

The following funding contributions apply:

	Department Contribution (GST exclusive)	Minimum applicant financial contribution	Minimum total project cost (Including applicant contribution)
Projects located within urban and regional locations	\$50 000 - \$250 000	20% of eligible project costs	\$62 500
Projects located within remote and very remote LGAs*	\$50 000 - \$370 000	10% of eligible project costs	\$55 555
Projects located within discrete communities**	\$50 000 - \$415 000	Nil	\$50 000

\*Refer to [Appendix D – Remote and Very Remote Local Government Areas](#),

\*\*Refer to [Appendix C – Discrete Communities](#),

Remote and Very Remote Local Government Areas and Discrete Communities are offered an increased maximum funding amount and lower contribution to account for increased costs to deliver projects in these locations.

Applicants must provide evidence that all contributions are secured. This should include evidence of contributions to cover any ineligible projects costs. In-kind contributions will not be accepted as forming part of the applicant's financial contribution.

## 5. Eligibility

### Who can apply?

Organisations eligible to apply for funding must be:

- a not-for-profit local, regional or multi activity sport or active recreation organisations (with a main objective of sport or active recreation) that:
  - deliver or coordinate an eligible activity/ies (refer [Appendix B](#) for eligible activities)
  - are registered with an Australian Business Number (ABN); and
  - are incorporated under the:
    - Associations Incorporation Act 1981 (Queensland)
    - Corporations Act 2001 (Commonwealth)
    - Co-operatives National Law Act 2020
    - Corporations (Aboriginal & Torres Strait) Act 2006 (Commonwealth); or
- Queensland local governments (refer [Appendix E](#)); or
- incorporated sport or active recreation State Level Organisations with infrastructure for local community use where there is not a professional team in residence; or
- a National Sport Organisation operating in Queensland under a governance model recognised by the Australian Sports Commission, managing infrastructure for local community use where there is not a professional team in residence; or
- State wide multi-location sport and active recreation organisations, whose branches/sites are not separately incorporated.

Additionally applicants should have:

- no outstanding compliance issues with Office of Fair Trading
- met all obligations for the projects/activities currently funded by the department; and
- no debt owing to the department.

Before applying for this program, contact the Office of Fair Trading or telephone 13QGOV (13 74 68) or the nearest [Sport and Recreation office](#) to determine whether the organisation has any outstanding compliance issues.

### Who cannot apply?

Examples of entities who are **NOT** eligible to apply are:

- individuals
- not-for-profit organisations that do not have a main objective of sport and active recreation or do not deliver or coordinate an eligible sport or recreation activity
- for-profit groups, including trustees and sole traders
- unincorporated organisations

- state sport and active recreation bodies (excluding State Level Organisations listed [above](#))
- national sport organisations where there is a State Level Organisation in Queensland
- schools, TAFE Colleges and universities
- parents and citizens associations
- religious groups (where their main objective is not to deliver or coordinate sport or active recreation)
- political organisations (where their main objective is not to deliver or coordinate sport or active recreation)
- State or Federal government departments.

If unsure of eligibility, please contact the nearest [Sport and Recreation office](#) before applying to confirm eligibility.

As part of the assessment process the department may request information from the applicant to show why they should not be deemed ineligible.

## 6. Eligible projects

Eligible applications are those that are new or upgraded infrastructure, or end of life replacement infrastructure that support the program objective.

Eligible organisations can submit **ONE** application only per site and/or activity. Organisations (e.g. Councils) wishing to submit multiple applications should contact the department for guidance ([Sport and Recreation office](#)).

Projects will only be funded to facilitate community level activity deemed appropriate for active recreation, training and/or local competition. Projects with lighting components, refer to the average illumination levels for community sport in [Appendix F](#).

Examples of eligible projects are listed below:

Construction of new walking, running, fixed outdoor exercise equipment, or off-road cycling trails that are an integral component of the sport or recreation facility	Upgrade lighting to meet activity at community level requirement including a control system to improve quality and safety of the participant experience and increase hours of usage
Upgrade tennis courts from bitumen to flexipave including line marking to allow for multi-use and increase participation and to improve the quality and safety of the activity	Install a new solar powered heat pump to an existing aquatic facility to improve efficiency and to support year-round participation in water sports
Replace metal halide lighting that has reached end of life, with LED to meet activity at a community-level requirement	End-of-life replacement of two netball courts that are no longer used as the surface has deteriorated due to heavy rain or extreme heat and is no longer playable.
End-of-life replacement of lawn bowls artificial green that has been used for over 10 years, and no longer meets the minimum playing standards.	Install compliant paths and ramps to improve access to playing fields and amenities to support participation of people with a disability
Install or upgrade infrastructure such as lighting or acoustic changes that support neurodiversity	upgrade changerooms to incorporate universal design principles to ensure flexibility of use and equitable access for all genders

Example projects listed are not exhaustive. Applications for other projects that meet the objectives of the program will be considered.

For end-of-life replacement projects, applicants must provide details of:

- when the surface/component/infrastructure was installed or built, and details of why the surface/component/infrastructure can no longer be maintained for its proposed use, or
- why a different standard now applies that renders it unusable.

### What will not be funded

The following are ineligible for funding:

Projects that are to replace ‘like-for-like’ surfaces or infrastructure (that have not been identified as “end of life” replacement refer section [above](#)) are not considered an upgrade. These are considered **replacement** projects and are ineligible.

**Maintenance** is defined as work on existing infrastructure with the intention of:

- preventing further deterioration or failure
- making temporary repairs for immediate health, safety, and/or security reasons.

The department reserves the right to determine what constitutes replacement or maintenance.

Ineligible project components are detailed in the table below:

Ineligible Components	
Annual and or seasonal maintenance costs	Relocating existing facilities
Works external to the project site including electrical, water, IT and drainage as a standalone project	Non-fixed assets and equipment
Wages or salaries and other employee costs	Preparation of funding application and associated consultant fees
Site remediation as a standalone project	Cost of extended warranties
Works not undertaken within the Program period	Components not directly related to the project

## 7. Application requirements

Eligible applicants are required to evidence a level of planning and readiness through consideration and/or provision of items under the following application criteria. Applicants will be assessed against the extent to which they can demonstrate and provide evidence that the project meets the criteria:

\*Percentages indicate the weighting given to each application criteria.

Applicants should undertake as much of the planning as possible to deliver the project prior to applying. Further information regarding requirements listed above is available in the [Application Planning Tool](#).

Applicants should utilise the [Application Planning Tool](#) while developing their application. Included with the Tool is a detailed [Project Costs Sheet](#). Applicants are required to complete and include the Project Cost Sheet and other documentation in the application.

## 8. What is the application process?

To apply for funding under this program the organisation must be a registered in the [Sport and Recreation Grant Registration Portal](#) (GRP). GRP registration should be commenced as early as possible prior to submitting an application.

Please note, that the online applicant portal is not compatible with mobile devices. If further assistance is required to complete the online application, email [srsgportal@dtis.qld.gov.au](mailto:srsgportal@dtis.qld.gov.au) or call 13 QGOV (13 74 68).

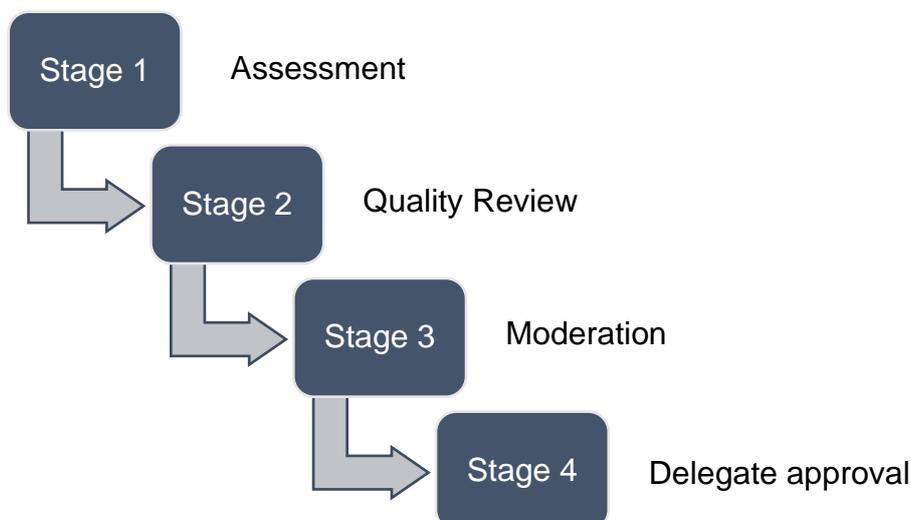

Applications should be submitted using the online application form by 5 pm (AEST), Thursday 2 March 2023.

Applicants should review all supporting documentation provided on the department website, including frequently asked questions fact sheets and example documents, prior to submitting an application ([www.qld.gov.au/recreation/sports/funding/minor-infrastructure-program](http://www.qld.gov.au/recreation/sports/funding/minor-infrastructure-program))

Organisations seeking guidance regarding the suitability of their documentation (e.g. sketch design, site plan and scope of works) and/or eligibility are encouraged to contact their local [Sport and Recreation Office](#) allowing sufficient time prior to applications closing (minimum of one week prior to closing date). Applicants should also consider contacting their local council in advance of the close date to confirm any local government requirements for the project.

## 9. How will applications be assessed?

Applications will be assessed by the department against the program eligibility criteria through stages 1 and 2 for consideration by the moderation Panel (Stage 3).

## Stage 1: Assessment

Assessment will include verifying if the application:

- has been submitted by an eligible organisation (refer to [Eligible Organisations](#))
- is for an eligible project (refer to [Eligible Projects](#))

Additionally, assessment will consider to what extent the application demonstrates:

- Vision (40%)
- Design (20%)
- Costs (20%)
- Delivery (20%)

Applications will be ranked by score based on the assessment ratings above.

## Stage 2: Quality Review

Quality review will include a check of the Stage 1 Assessment.

Once the above considerations have been assessed, the applications will move to the Moderation Panel for consideration in the prioritisation of projects.

## Stage 3: Moderation Panel process

The Moderation Panel will be responsible for recommending the distribution of funding and will undertake prioritisation of eligible applications to inform the distribution of funding, including any over subscription, ensuring that the recommendations are consistent with the program objective.

The moderation panel will prioritise the applications with reference to the considerations outlined in Stage 1: Assessment when recommending distribution of funding and may also have additional regard to:

1. Deliver 50% split of funding between South East Queensland and Regional Queensland Local government Areas (Refer to [Appendix E](#))
2. Assessment ranking
3. Infrastructure directly impacting field of play/ activity place/ space
4. Place based considerations (which include but are not limited to geographic location, SEIFA)
5. Distribution of funding across activity and/or program objective (safe, quality, efficient, and inclusive and accessible)

## 10. Approval process (Stage 4)

The Moderation Panel will make recommendations to the department's delegate on the outcome of the assessment process.

Applicants will receive written notification on the outcome of their application advising whether the project was approved or not approved.

Approved applicants will be required to enter into a legal agreement with the Queensland Government. The provision of funding is subject to execution of a legal agreement to be provided by the Department.

## Application process terms and conditions

Submitting an application does not guarantee that the application will be approved. The department reserves the right (at the department's sole discretion) to refuse an application, not assess an application or not approve funding, for any reason, irrespective of whether the eligibility and assessment criteria have been met. The Department's decision in relation to an application or the process is final.

The department reserves the right, at any time, whether before or after, the closing dates, to:

- cancel or vary the assessment process
- close early, suspend, stop or extend the operation of the program or the application process
- amend dates including extending the closing date
- vary the program, including the proposed terms and conditions or funding and/or these guidelines
- consider or reject an application received after the closing date and time
- consider an application submitted other than in accordance with the requirements of the application process, including accepting a non-conforming or incomplete application
- determine whether a project meets the eligibility criteria, project requirements and other requirements set out in these guidelines and should be deemed ineligible
- determine whether the application and supporting documents provided meet the department's requirements, including (without limitation) those as set out in these guidelines
- change the allocation of funding available under the Program, the eligibility criteria or the types of projects that will be considered.

Any action taken to close early, suspend, stop or extend the program will be notified on the program website.

The department may, at its discretion, request information or documents (included but not limited to audited financials) from an organisation or any other person in order to consider and/or verify the accuracy of an application or organisation eligibility.

The department will retain all documents submitted and will not return these to the organisation. The organisation must ensure that its officers, employees, agents and/or sub-contractors do not make any public announcement or advertisement in any medium in relation to the process or the program without the prior written consent of the department.

Organisations accept the risk, responsibility and liability connected with submitting an application and will not make any claim in connection with a decision by the department to exercise or not to exercise any of its rights in relation to the application process.

The application and participation in the application process does not constitute an offer or an invitation to make an offer under the application process. It also does not indicate an intention by the department to enter into any form of legal relations with any party. The acceptance of an application or any invitation to negotiate will not be effective to constitute a contract or to create any legitimate expectation on an organisation's part unless and until a formal written legal agreement is entered into (as per the process set out in the funding terms and conditions). Nothing in this application process amounts to any process contract and in making the application available and conducting this application process, the department expressly excludes any process contract arising.

## 11. Late applications

An applicant may request to submit a late application. All applicants lodging a late submission, either wholly or in part, must submit a request in writing for the department consideration.

The request for submission of a late application, or part thereof, must be made within a maximum of three business days, following program close and is at the discretion of the department.

A late submission may be accepted by the department, in the following circumstances:

- where the client has notified the department or the relevant help desk of difficulties, by phone or email, and the issue has not been resolved prior to the program close
- where there has been a confirmed system failure (e.g. database, departmental, internet service provider)
- where there are extraordinary circumstances, beyond the control of the applicant (e.g. natural disasters, births, deaths in family).

## 12. Appeals

Sport and Recreation staff can provide an applicant that has not been approved, with an initial explanation of the rationale for the decision.

If an applicant is not satisfied with a decision, such as an application not being approved for funding, the applicant can request a review of the decision in writing. An appeal can be requested where the applicant believes the decision does not adhere to the program guidelines and/or the department process of the application.

The appeals process does not include applicants challenging the program guidelines or seeking variations or exceptions to the program guidelines.

Appeals will only be considered if received by the department within one month from the date of the applicant's receipt of written notification from the department on the outcome of the organisation's application. Appeals must be lodged in writing to [SRS.info@dtis.qld.gov.au](mailto:SRS.info@dtis.qld.gov.au). Organisation will be notified in writing of the appeal outcome.

## 13. Payments

Approved funding payments will be processed as follows:

<b>Approved funding amount less than \$75 000</b>	<ul style="list-style-type: none"> <li>• A one-off payment of the total approved funding amount upon execution of the Legal Agreement between the department and the Organisation (within 30 days)</li> </ul>
<b>Approved funding amount greater than \$75 000</b>	<ul style="list-style-type: none"> <li>• An initial payment of up to 50% of the approved funding amount upon execution of the Legal Agreement between the department and the Organisation (within 30 Days).</li> <li>• A second payment of the remaining funding amount will be paid upon receipt of an approved acquittal of the initial payment amount, and compliance with pre-construction conditions as outlined in the grant agreement.</li> </ul>

## Goods and Services Tax (GST)

GST is a broad-based tax of 10 per cent on the sale of most goods and services purchased in Australia.

Organisations with current or projected annual turnover for all revenue activities of \$150 000 or more (including this project), must be registered for GST. Compliance with the legislation is a requirement of Federal taxation legislation. For more information, refer to the Australian Taxation Office website or telephone 13 24 78.

The grant funding amounts referenced in this guideline are GST exclusive.

Organisations that are registered for GST will be paid a GST component in addition to the approved funding and will be issued with a Recipient Created Tax Invoice (RCTI) for the funding payment.

Organisations that are not registered for GST can receive funding up to the maximum funding amount with no additional GST component, and the department will issue a remittance advice. Organisations not registered for GST need to be aware funding received will need to cover any GST payable. Any shortfall between the funding provided and the GST inclusive project cost will need to be met by the funding recipient.

## Payment Compliance

At the time of the payment, organisations must be compliant with the following prior to any payment of funds:

- have no outstanding compliance issues with Office of Fair Trading
- have met all obligations for projects currently funded by the department; and
- have no debt owing to the department.

Contact the Office of Fair Trading to determine whether the organisation has any outstanding issues. Go to [www.fairtrading.qld.gov.au](http://www.fairtrading.qld.gov.au) or telephone 13 QGOV (13 74 68).

## 14. Reporting, acquittals and audit requirements

Approved organisations will need to acquit the funding spent to the department using a template provided by the department. All organisations funded will be required to keep accurate records of expenditure and provide evidence in the acquittal form supplied to support the delivery of the approved project for the required legislative period. These records are to be made available to the department should the organisation be selected for an audit.

Approved organisations must complete reporting on financial and project activities and outcomes throughout and upon completion of the project.

Approved organisations may be subject to an audit from the department. The department may undertake a random audit of approved projects to ensure that projects are delivered as approved.

The Queensland Government must be appropriately [acknowledged](#) by approved organisations in any promotion of the approved project. Approved organisations will be surveyed after project completion. The information within the survey will be used to help the department evaluate the program.

## Appendix A – Definitions

**Active Recreation:** including activities engaged in for the purpose of relaxation, health and wellbeing or enjoyment with the primary activity requiring physical exertion, and the primary focus on human activity

**Community level activity standard:** is infrastructure that is built to mainly cater for local or grass roots sports and active recreation. Local level facilities are generally constructed and maintained to a base standard that caters for high use.

**Discrete community:** A discrete Indigenous community refers to a geographic location, bounded by physical or legal boundaries, and inhabited or intended to be inhabited by predominantly Aboriginal and Torres Strait Islander Peoples, with housing or infrastructure that is either owned or managed on a community basis.

**End of life replacement:** Replacing components at the end of their useful or economic life. End of life will only be considered where:

- the surface / component / infrastructure has reached a point by which its usage has significantly declined or has an increased exposure to risk, and it is no longer possible/viable to continue its use through maintenance, or
- the surface component / infrastructure has reached its 'end of life' based on an accepted industry or product standard.

### Funding Objectives:

- **Safe:** reduced exposure to health and safety risk
- **Quality:** meeting standard required for community level participation
- **Efficient:** more efficient use of the places and spaces (can be used by more people, cater for more activities, be used for longer hours)
- **Inclusive (target cohorts) and accessible (for everyone):** enhancing usability of places and spaces and ensuring no-one is excluded from participation

**Multi-activity organisation:** Multi-activity (also known as multisport) organisations are legal entities (sometimes called umbrella clubs or organisations) which represent a number of different 'sub-clubs' or branches, each carrying out one unique sport or activity, but without constituting a legal entity in its own right. Multi-activity organisations generally operate across multiple locations in Queensland but can operate at a single location.

**National Sporting Organisation:** Organisations that develop sport across the continuum, from community participation to high performance levels. NSOs in most cases work closely with their respective State Level Organisations (SLOs) across all Australian state and territory jurisdictions.

### New Infrastructure:

- a new project on a greenfield site; or
- development to support a new sport and/or active recreation activity on a previously undeveloped portion of an existing site

**Organisation:** Interchangeable with a 'club' or 'association' and includes those bodies that meet the eligibility criteria for the program, as outlined in Section 5, and provide physical activity programs and services at the local community level.

**Participant/Participation/Participating:** refers to a direct 'joining-in' and active engagement by a person with:

- a particular sport organisation;
- an active recreation organisation; or
- other forms of physical activity.

**Professional Teams:** Teams whose athletes receive payment for their performance in a National League.

**Regional organisation:** An organisation that has affiliated member organisations and is responsible for the coordination of an activity across a specified area.

**Site:** the lot on plan/s for each land parcel which the project will be constructed.

**Sport:** A human activity involving physical exertion and skill as the primary focus of the activity, with elements of competition where rules and patterns of behaviour governing the activity exist formally through organisations and is generally recognised as a sport.

**State Level Organisation:** Organisations that are responsible for developing their sport or active recreation from community participation to high performance levels.

**Upgraded Infrastructure:**

- an enhancement to the existing infrastructure that will increase/support participation in sport and active recreation activities
- changing a surface or infrastructure component that results in an enhanced function for the facility or an increase in capacity or safety/quality? of the infrastructure

**Urban and regional locations:** Queensland local governments with a remoteness classification of Major Cities of Australia, Inner Regional Australia and Outer Regional Australia as determined by the Australian Statistical Geography Standard Remoteness (ASGS) Structure.

## Appendix B – Eligible activities

Abseiling	Equestrian	Netball	Stand Up Paddleboarding
Acrobatics	Extreme Sport	Netball - Indoor	Surf – Other
Adventure Racing	Fencing	Orienteering	Surfing
Active Recreation	Fistball	Outrigger Canoeing	Surfing - Body Boarding
Aerobics	Fitness	Oztag	Swimming
Aerobics - Aqua	Floorball	Paintball	Swimming - Synchronised
Aikido	Football	Parachuting	Table Tennis
Air Sport	Football - Indoor	Parkour	Taekwondo
Archery	Futsal	Petanque	Tai Chi
Athletics	Gaelic Football	Pickleball	Tennis
Athletics Little	Gateball	Pilates	Tenpin bowling
Australian Football	Gelball	Polo	Touch
Badminton	Geocaching	Polocrosse	Traditional Indigenous Games
Baseball	Gliding	Pony Club	Trail Bike Riding
Basketball	Goalball	Power Boats	Trampolining
Baton Twirling	Golf	Power Lifting	Triathlon
Beach Volleyball	Gridiron	Riding For Disabled	Ultimate Disc (inc Disc Golf)
BMX	Gymnastics	Rock Climbing	Underwater Sports
Bocce	Handball	Rodeo (Team penning / Barrel racing)	Vigoro
Boccia	Hang Gliding	Rogaining	Volleyball
Bowls - Indoor	Hockey	Roller Blading	Wakeboarding
Bowls - Lawn	Horse Riding -	Roller Derby	Walking
Boxing	Ice Hockey	Roller Skating	Water Polo
Boxing - Kick	Ice Racing	Roller Sports	Water Skiing
Broomball	Ice Skating	Rowing	Wave Ski Surfing
Bushwalking	Inline Hockey	Rugby League	Weightlifting
Calisthenics	Ju Jitsu	Rugby Union	Wheelchair Basketball
Campdraft	Judo	Running	Wheelchair Rugby
Canoeing	Karate	Sailing	White Water Rafting
Carriage Driving	Karting	Scuba	Windsurfing
Cheerleading	Kayaking	Shooting	Woodchopping
Climbing - Indoor	Kendo	Shooting - Clay Target	Wrestling
Cricket	Lacrosse	Shooting - Pistol	Yachting
Cricket - Indoor	Laser tag	Shooting - Rifle	Yoga
Croquet	Life Saving - Royal	Shooting - Sporting	Zen Do Kai
Curling	Life Saving - Surf	Shooting - Sporting	Zumba
Cutting	Martial Arts	Shooting - Target	
Cycling	Medieval Combat	Skate - Scooter	
Dancesport	Mixed Martial Art	Skate Boarding	
Disability Sports	Modern Pentathlon	Skipping	
Diving	Motor Sport	Sky Diving	
Dragon Boating	Motorcycling	Snow Sports	
Drill Dance	Mountain Biking	Softball	
Endurance Riding	Mountain Bike	Squash	

## Appendix C - Discrete Communities

<b>Communities</b>	<b>Local Government Authority</b>
<b>Aurukun</b>	Aurukun Shire Council
<b>Cherbourg</b>	Cherbourg Aboriginal Shire Council
<b>Coen</b>	Cook Shire Council
<b>Doomadgee</b>	Doomadgee Aboriginal Shire Council
<b>Hope Vale</b>	Hope Vale Aboriginal Shire Council
<b>Kowanyama</b>	Kowanyama Aboriginal Shire Council
<b>Lockhart River</b>	Lockhart River Aboriginal Shire Council
<b>Mapoon</b>	Mapoon Aboriginal Shire Council
<b>Mornington Island</b>	Mornington Shire Council
<b>Mossman Gorge</b>	Douglas Shire Council
<b>Napranum</b>	Napranum Aboriginal Shire Council
<b>Northern Peninsula Area</b>	Northern Peninsula Area Regional Council
<b>Palm Island</b>	Palm Island Aboriginal Shire Council
<b>Pormpuraaw</b>	Pormpuraaw Aboriginal Shire Council
<b>Woorabinda</b>	Woorabinda Aboriginal Shire Council
<b>Wujal Wujal</b>	Wujal Wujal Aboriginal Shire Council
<b>Yarrabah</b>	Yarrabah Aboriginal Shire Council

Additionally for the purposes of this program, the Torres Strait Community will also be classified as Discrete

<b>Torres Strait</b>	<b>Torres Shire Council</b> <b>Torres Strait Island Regional Council</b>
----------------------	-----------------------------------------------------------------------------

## Appendix D – Remote and Very Remote Local Government Areas

Queensland local governments listed below have a classification of Remote Australia and Very Remote Australia as determined by the Australian Statistical Geography Standard Remoteness (ASGS) Structure.

LGA	Remoteness Category
Balonne Shire	Remote
Barcaldine Regional	Very remote
Barcoo Shire	Very remote
Blackall Tambo Regional	Very remote
Boulia Shire	Very remote
Bulloo Shire	Very remote
Burke Shire	Very remote
Carpentaria Shire	Very remote
Cloncurry Shire	Remote
Cook Shire	Remote (except for Coen – see Appendix C - Discrete Communities)
Croydon Shire	Very remote
Diamantina Shire	Very remote
Etheridge Shire	Very remote
Flinders Shire	Very remote
Longreach Regional	Very remote
McKinlay Shire	Very remote
Mornington Shire	Very remote
Mount Isa City	Remote
Murweh Shire	Very remote
Paroo Shire	Very remote
Quilpie Shire	Very remote
Richmond Shire	Very remote
Weipa Town	Very remote
Winton Shire	Very remote

## Appendix E – Queensland Local Governments

Regional Queensland Local Government Areas			
Aurukun	Cloncurry	Livingstone	Pompuraaw
Balonne	Cook	Lockhart River	Richmond
Banana	Croydon	Longreach	Rockhampton
Barcaldine	Diamantina	Mackay	South Burnett
Barcoo	Doomadgee	Mapoon	Southern Downs
Blackall-Tambo	Douglas	Maranoa	Tablelands
Boulia	Etheridge	Mareeba	Torres
Bulloo	Flinders	McKinlay	Torres Strait Island
Bundaberg	Fraser Coast	Mornington	Townsville
Burdekin	Gladstone	Mount Isa	Weipa
Burke	Goondiwindi	Murweh	Western Downs
Cairns	Gympie	Napranum	Whitsunday
Carpentaria	Hinchinbrook	North Burnett	Winton
Cassowary Coast	Hope Vale	Northern Peninsula Area	Woorabinda
Central Highlands	Isaac	Palm Island	Wujal Wujal
Charters Towers	Kowanyama	Paroo	Yarrabah
Cherbourg			

South East Queensland Local Government Areas	
Brisbane	Noosa
Gold Coast	Redland
Ipswich	Scenic Rim
Lockyer Valley	Somerset
Logan	Sunshine Coast
Moreton Bay	Toowoomba

## Appendix F – Average illumination (lux) levels for Community Sport

Funding will only be provided to deliver the Light Technical Parameters (LUX levels indicated in the table below).

If the requested Lux level is above the average Lux level relevant to the sport activity outlined in the table below, the project may be deemed ineligible for consideration of funding.

This table is not an exhaustive list, sports not listed may still be eligible but will require evidence at application that Lux requirements for recreational, training, and local club competition have not been exceeded.

Average illumination levels			
Sport	Level description	Lux levels	
<b>Aquatic Sports &amp; diving</b>	Recreation or training, and low-level local competition	150 lux	
<b>Baseball</b>	Club/local competition	Infield	500 lux
		Outfield	300 lux
		Batting cages and Pens	300 lux
<b>Softball</b>	Club/local competition	Infield	300 lux
		Outfield	200 lux
