

SOCIAL PROCUREMENT BASICS

Build social outcomes into procurement practice

Social procurement helps Queensland Government buyers leverage purchasing to generate positive social outcomes.

This online course builds foundational capability in applying social procurement in practice, providing a structured overview of key concepts, policy alignment with the Queensland Procurement Policy (QPP) 2026, and practical approaches to delivering social value through the procurement lifecycle.

Learners are encouraged to apply the concepts learned in line with their agency's policies and procedures.

Topics Covered

- Buying with impact
- Opportunities and methods to build social value into procurement practice
- How to source appropriate suppliers

Recommended for

- Procurement Officers
- Occasional buyers

Some procurement experience is recommended.
