QUEENSLAND (QLD) Travel Declaration

19 January 2021

Karen

The Queensland Government has implemented new health measures to manage the spread of COVID-19. Queensland is under a lockdown for New South Wales and Victoria due to a rise in cases in these states. Queensland has also declared a health alert for Victoria.

The Queensland Government has implemented a 3-day lockdown for residents who have been in New South Wales or Victoria in the past 7 days. Residents who have been in New South Wales or Victoria in the past 7 days are required to contact Queensland Health and complete a Queensland Travel Declaration.

1. Persons who have been in New South Wales or Victoria in the past 7 days are required to contact Queensland Health and complete a Queensland Travel Declaration.

2. Persons who have been in New South Wales or Victoria in the past 14 days are required to contact Queensland Health and complete a Queensland Travel Declaration.

3. Persons who have been in New South Wales or Victoria in the past 30 days are required to contact Queensland Health and complete a Queensland Travel Declaration.
