#### 1 Introduction to Macropods Online

The Department of Environment and Science has a user-friendly digital platform for managing macropod services allowing macropod licence holders to apply for licences, pay fees, and order tags.

The digital return book feature on Macropods Online makes it easier for harvesters and dealers to comply with their record keeping obligations. And submitting returns is also faster and easier allowing users to view and complete their tasks online as simple transactions.

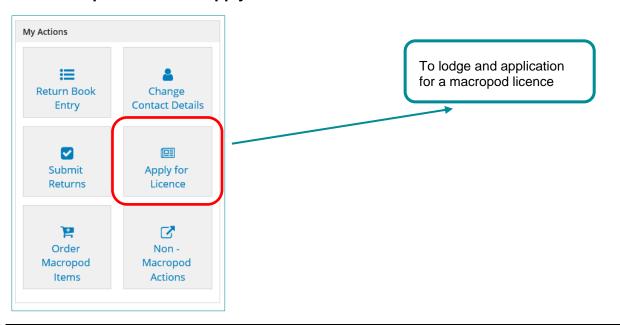

## 2 Have you registered for an online account?

Macropod customers not currently registered with the Department of Environment and Science's Online Services will need to register to access Macropods Online. Click <u>here</u> to learn how to register for Online Services.

If you have already registered for a macropod harvester or dealer licence in Connect or Online Services, you will automatically see the new Macropods Online when you login here.
