

Statement of the Queensland Government's objectives for the community

The government's objectives for the community are built around *Unite and Recover – Queensland's Economic Recovery Plan*.

The objectives are long-term and can only be achieved by everyone involved working together. The objectives are:

- » **Safeguarding our health:** Safeguard people's health and jobs by keeping Queensland pandemic-ready.
- » **Supporting jobs:** Support increased jobs in more industries to diversify the Queensland economy and build on existing strengths in agriculture, resources and tourism.
- » **Backing small business:** Help small business, the backbone of the state's economy, thrive in a changing environment.
- » **Making it for Queensland:** Grow manufacturing across traditional and new industries, making new products in new ways and creating new jobs.
- » **Building Queensland:** Drive investment in the infrastructure that supports our recovery, resilience and future prosperity.
- » **Growing our regions:** Help Queensland's regions grow by attracting people, talent and investment, and driving sustainable economic prosperity.
- » **Investing in skills:** Ensure Queenslanders have the skills they need to find meaningful jobs and set up pathways for the future.
- » **Backing our frontline services:** Deliver world-class frontline services in key areas such as health, education and community safety.
- » **Protecting the environment:** Protect and enhance our natural environment and heritage for future generations and achieve a 50 per cent renewable energy target by 2030.

The government will regularly report its achievements against the objectives for the community.

The Honourable Anastacia Palaszcuk MP
Premier of Queensland and Minister for Trade
