

HONOURING OUR VETERANS

CAPITAL WORKS GRANTS
PROGRAM 2026

ROUND TWO

Message from the Premier and Minister for Veterans

Queensland's veterans and their families have made an enduring contribution to our state and nation – one defined by service, sacrifice and commitment. It is our responsibility to ensure that legacy is recognised, preserved and meaningfully honoured.

The Honouring our Veterans Grants Program continues to play a vital role in delivering on the Queensland Government's \$26.4 million commitment to veterans and their families.

Through this investment, we are supporting projects that preserve stories of service, strengthen recognition, and deepen community understanding across our state.

This next round comes at an important time. Home to the largest veterans' community in Australia, Queensland must lead in how we honour service while ensuring veterans and their families feel valued, connected and supported – both now and into the future.

Through the Honouring our Veterans Grants Program, organisations across Queensland are empowered to deliver meaningful local initiatives – from commemorative events and educational projects to lasting infrastructure that strengthens connection and keeps the stories of service alive across our state.

Importantly, this program also supports the Queensland Government's first Veterans and Veterans' Families Strategy. This will mark a step forward in delivering more coordinated, targeted support and improved outcomes for veterans and their families.

I encourage eligible organisations to apply for this next round of Honouring our Veterans Grants program and to think boldly about how we continue to honour service, strengthen community connection, and ensure the legacy of Queensland veterans endure.
