In this section, stakeholders should explain, if relevant, how the proposed project aligns with any strategic planning documents, policies, or initiatives they have implemented or plan to implement.

Games On! Grassroots Infrastructure Program Definition – Strategic Plan/planning: For the purpose of this program, is a document produced by a local government, state or national sporting organisation, or education institution that outlines strategic direction for sport community infrastructure. The document needs to have been ‘endorsed/ published’ and broad community consultation has been undertaken as part of the planning process.

While there are general strategic planning documents, **this program will prioritise projects specified in the specific infrastructure strategic planning document.** ^
